Dry Hire

Use the studio with your own producer or engineer, or work independently. Every session includes full access to the entire studio, with no hidden hire fees.

5 HOURS	$420 INCL. GST
8 HOURS	$550 INCL. GST
12 HOURS	$610 INCL. GST
24-HOUR LOCKOUT 10:00AM TO 10:00AM	$750 INCL. GST

Assistant

PER HOUR	$44 INCL. GST
MINIMUM BOOKING	4 hours $176 INCL. GST

An assistant sets up microphones, patches gear and keeps the session organised. They are not a producer or engineer, and will not operate your DAW or make creative decisions.

Producer or Engineer

PER HOUR	$35 ~ $75

Depending on experience and credits. If you do not have your own engineer, we can recommend one of our associated producers and engineers. They know the studio inside out.

What Every Session Includes

01 4 recording areas (control room, live room, 2 isolation booths)
02 One of Australia's largest microphone collections
03 Full range of analogue outboard gear
04 Alex Steinbach grand piano
05 4 drum kits and 12 snares
06 Cymbals, percussion, guitars, basses, keyboards, and synths
07 All amps, pedals, and accessories
08 Lounge, kitchenette and on-site parking

PAYMENT

Payment is required upfront to confirm a booking. We invoice through Xero. Pay by bank transfer, credit card, or AfterPay on eligible bookings.

CANCELLATION

We operate a 72-hour cancellation policy. You can move your session to another date at no cost. A cancellation inside 72 hours that is not moved forfeits the full session fee.

DISCOUNTS

Extended bookings attract reduced rates. Sessions booked more than 30 days ahead attract an early-bird discount. Ask when you book.

BOOK A SESSION www.asharp.com.au/book

Subject to change. All rates include GST.
Terms of studio use apply to all bookings: www.asharp.com.au/terms-of-studio-use
Sister studio: Kiln Studios, St Peters, for production, mixing and writing.
